

PhD for Working Professionals 2019

PhD (Working Professionals) at IIM Shillong is a unique doctoral level programme in management for working professionals in order to meet the requirements of the employer organization. This doctoral programme will help in expanding the frontiers of knowledge of the working professionals and provide them an excellent opportunity to contribute to the field of management sciences. The goal of the program is to prepare enthusiastic executives and teaching professionals for contributing to the field of training, management research and consulting practice, launch an academic career and help to strike a balance between the theory and practice of management. The objective would be achieved by:-

- Getting acquainted with the management discipline and its functional areas
- Effective conduct of research and get an idea about research tools and techniques
- Developing and effectively using various pedagogical tools and techniques
- Enhancing the working professionals and teaching professionals domain knowledge

Learning Goals

PhD (Working Professionals) will be able to attain the following learning goals.

Goal 1: Acquire the knowledge of different functional areas of management and research skills.

Goal 2: Focus upon applied and interdisciplinary research in all areas of management education and practice.

Goal 3: Develop an awareness about ethical standards, governance practices in management.

Goal 4: Help industry professionals reconnoitre research oriented careers in educational institutions as well as job enrichment in their own organizations.

The candidates who go beyond the above stipulated time may be allowed to continue in the programme depending upon their progress and with payment of continuation fee but not beyond 07 years as under:

1. After completion of 04 years into the programme an extension of one year will be given subject to a payment of continuation fee of Rs 25000/ every 6 months.
2. After completion of 05 years into the programme an appeal to the Director has to be made and such participant may be allowed to continue in the programme on a six monthly extension basis for a period of maximum of two years subject to payment of a continuation fee of Rs. 50,000/- every 06 months.

Beyond 07 years there will be no further extension.

Curriculum and Course Work

During the coursework, classes will be held in IIM Shillong campus. Accommodation and fooding charges will be extra if Campus accommodation is available and is availed by a candidate. The on-campus course work will have three modules in the first year and one module in the second year. First year courses will be having 9 credits distributed over three modules named:-

- Fundamental Courses in Management – I (Module I)
- Fundamental Courses in Management – II (Module II)
- Fundamental Courses in Managerial Research (Module III)

In the second year there will be 3 credits of course work.

- Advanced Courses in Managerial Research (Module IV)

In Module I (tentatively October-November 2019), one visit of 14- 21 days

In Module II (tentatively April-May 2020), one visit of 14-21 days

In Module III (tentatively July- August 2020), one visit of 14-21days

In Module IV (tentatively April-May 2021), one visit of 14-21 days

Schedules will be intimated to the students tentatively one month before the start of each module.

All course are compulsory. The participants must have a minimum attendance of 60%. During Module III, the candidate in consultation with the PhD Chairperson/Committee will be required to initiate the process of formation of his/her Thesis Supervisory Committee (TSC) as per the laid down norms of the Institute.

COMPREHENSIVE QUALIFYING EXAMINATION (CQE)

- After the completion of the requirement the candidate needs to qualify the Comprehensive Qualifying Examination (CQE) to proceed to the second phase of the programme.
- The candidate who do not qualify the exam shall be given a second chance to qualify for the second phase.
- The candidate will be required to obtain an overall CGPA of 2.2 or above for clearing the Course work in (Term I, II and III).

Second Year

- After successful completion of the course work the participant will start working on the main research problem of the PhD thesis under the guidance of his/her TSC.
- S/he will start preparing a proposal under the guidance of his/her TSC.
- From the second year onwards after successful completion of all the four modules till submission of the draft thesis, the participants are expected to make regular visits. A minimum of **four days of visit** to the institute in a quarter is mandated.
- The participant must submit progress report forwarded by the TSC chairperson to the programme office every six months.

Third Year Onwards

- The participants are also expected to work towards presenting papers at a conference and/or making publications in research journals approved by the institute.
- The participants will present the draft thesis in an open seminar, called Pre-submission Seminar, after the TSC clears the draft for the same. The draft Thesis will be modified based on comments received from the TSC and the audience of the public seminar.
- The candidate will have to defend the thesis and then submits the duly modified thesis for evaluation. Once evaluated, the candidate will have to defend the Thesis before the examiners to be eligible for the award of the degree.
