Located at an average altitude of 1496 metres above the Main Sea Level, Shillong is nestled in the Khasi Hills, covered by the green cornucopia and the dreamy clouds. Shillong, a city full of life and a place to be, is the capital city of Meghalaya—“the abode of clouds.”

It is one of the leading education hubs in the North East with many schools and colleges speckled in the picturesque settings. The city has beats and rhythms in everything: the church bells, the choirs, the rock bands and music flows in every nook and corner.

Surrounded by the hills, the city is in the vicinity of many beautiful tourist spots: Shillong Peak, the Elephant Falls, and the Ward’s Lake. The rains and mist in the air add to the charm of the place. As many have rightly quoted, the places in and around Shillong reminded many of the rolling greens of the Scottish highlands—thus it is also known as “Scotland of the East.”

The human eye thirst for beauty can be quenched by the scenic surroundings of Shillong. The full glory of Nature can be seen in the forests, lakes and waterfalls that are present in the region. For the adventure seeking souls there are challenging trekking routes in Smit Valley or the David Scott’s trail. Just near to it is Cherrapunji, which offers many more places to soothe one’s eyes with Nature’s beauty. In Shillong, the hills keep reckoning the heart with its charm and so it’s best to keep your cameras and backpacks ready!

And for conventional tourists, Shillong offers no less! The Elephant Falls, Ward’s Lake, Shillong Peak, Capt. Williamson Sangma State Museum, Cathedral of Mary Help of Christian, Sweet Falls and Don Bosco Centre are a few notable tourist spots in and around the city. Be it the “Sacred Groves” of Mawphlang, the engineering marvels of the “Living Root Bridges” or the resplendent Nohkalikai Falls, every place is a cynosure for the eyes.

The three-day event was backed by the Department of Meghalaya Tourism, who has been the enduring and supportive sponsors/partners of this event ever since its inception. The Associate sponsors for the event included Union Bank of India, Indian Oil Corporation and Mahindra KUV100. The event also had a wide range of partners including Media Partner Newitz 18 and Hospitality Partner CPGE among many others. The lasting memory of the tournament will be that of the greens, the exhilarating sound of the golf club striking the golf ball; the image of the ball climbing over the golf course against the backdrop of the clear blue skies and watching the ardent celebrations of the winning golfers and marathon winners.
The pre-events built up the expectations and EmergE didn’t disappoint. The event saw young entrepreneurs like Shreyans Bhandari and Faizal Ahmed sharing their experiences with the students and responding to any queries directed their way from the audience. The audience got a closer look at the fascinating world of marvel and DC with Chakravarty, Aniruddho Chakravarty, Chariot Comics and a glimpse of his philosophy about life along with the technicalities of the ecommerce logistics platform from Mr. Sunit Saraswat, Zopnow.

The E-Day included a flurry of activities that left the audience enthralled. From innovation to entertainment, the event had it all. While Voonik asked probing questions to the presenters on changing its distribution channel, aspiring entrepreneurs tried convincing respected Venture capitalists and investors, Mr. Rakesh Mishra from Excubator and Mr. Vikram Duggal from Unitus Seed Fund why their idea was worth investing. The participants who came out unscathed with their dot com bubble still intact were declared the winners. Others got the 6 sigma gown from our guests who came all the way from the financial capital of the country; the world-famous Mumbai Dabbawalas. Everything wasn’t just about knowledge, we did say there was entertainment involved. A panel discussion with eminent personalities from the field of entertainment encompassing Rajeev Shankar Dev, Rajvir Dhillon, Wajid Ali, Rebecca Chongkija, Meena Longjam and none other than actor- encompassing Rajeev Shankar Dev, Rajvir Dhillon, Wajid Ali, Rebecca Chongkija, Meena Longjam and none other than actor-

Based on the theme ‘Alchemy of Choice’, this year’s edition underscored the transformative power of choice. The list of speakers included Ms. Pankaj Bhadouria, winner of the first season of MasterChef India, Ms. Sheila Sri Prakash, acknowledged as one of the leading design thinkers of our age, Ms. Asha Bhat, winner of the Miss Supranational pageant in 2014, Ms. Deepika Narayan Bhardwaj, documentary filmmaker and men’s rights activist, Ms. Suhani Shah, psychosomatic counsellor and illusionist, Mr. Gaurav Jai Gupta, accredited with winning ELLE’s Young Creative Fashion Entrepreneurship Award in 2010, and Ms. Tilotama Varma, the first female Indian Police Officer from the state of Uttar Pradesh to be awarded the President’s Police Medal.

While Ms. Bhadouria painted the proverbial canvas with a refreshing look at the Alchemy of Food, Ms. Bhardwaj, with her gripping narrative, compelled the audience to ponder over the plight of the ‘Martyrs of Marriage’. Ms. Sri Prakash highlighted the instrumental role played by design thinking and sustainability in modern day architecture, and Ms. Tilotama Varma spoke about the choices she made as an IPS officer. Ms. Shah captivated the audience with her illusionist charm, and Ms. Asha Bhat enraptured the audience with the story of her journey from “boots to heels.” Mr. Gupta tickled a lot of funny bones, even as he spoke about the remarkable choices he made as an avant-garde fashion designer.

The second edition of TEDxIIMShillong grabbed the attention of the TED community and earned the license holder a chance attend TEDGlobal in Rio de Janeiro in Brazil. With all in place, the event is expected to scale equal, if not greater heights.
