Candle Light March

Students and faculty of IIM Shillong held a candle light vigil and march in memory of **Manjunath Shanmugam**, an alumnus of IIM Lucknow who was murdered while working against oil adulteration in IOC. Today, we as members of the IIM fraternity came together to take a pledge of integrity and to do our bit in awakening the citizenry to a nationwide consciousness about widespread corruption that plagues this country and honor Manjunath Shanmugam's courage, sacrifice and integrity.
