Faculty Workshop on Case Method

June 10th – 12th, 2011

The workshop was designed at the request of **Prof Ashoke Dutta, Director**. It was conducted as a part of faculty development activities of IIM Ahmedabad.

Following were the **objectives for the workshop**:

- To develop participants' understanding of the Case Method as a pedagogical tool facilitating students' learning rather than teaching by the faculty members.
- To build participants' capabilities to use cases in management courses.
- To design case based courses.
- To delineate the academic, administrative and infrastructure requirements for case writing and provide support to the participants in case writing.
- To discuss the nature of support facilities for successful and sustained use of case method in the programmes on management education.

Facilitators for the workshop were **Prof. Jahar Saha, Abhinandan Jain and Mukund Dixit** all from **IIM A**.
