<u>Sl. No.</u>	<u>Page No.</u>	<u>Clause as per RFP with Sl no.</u>	<u>Pre Bid Query Sought by the Bidder M/s. Indian Export and Import Co. Shillong over Email Dated 28<sup>th</sup> August 2020</u>	<u>Final Response of IIM Shillong regarding the Pre Bid Query</u>
1	9/33	Sl.No.7	<b>i5 Laptop:</b> Since you have asked for a touchscreen model, please confirm whether the form factor required by you is that of a convertible to enable you to work on Tablet mode.	Form Factor – Convertible with 360 degree rotatability to enable user to use conveniently as Tablet. Accelerometer; Gyroscope; eCompass Sensors should be incorporated for full functionality of Tablet. Final Response of IIM Shillong is " <b>Good to Have</b> " with no additional change in the Technical Specification.
2	10/33	Sl.No.17	<b>i5 Laptop:</b> Whether other Security features like Fingerprint Reader also need to be incorporated.	Nano security slot is already specified. Additional Fingerprint reader can be added. Final Response of IIM Shillong is " <b>Good to Have</b> " with no additional change in the Technical Specification.
3.	10/33	Sl.No.2	<b>Core i3 Laptop:</b> - Please specify memory upgradability .	Memory should be expandable to 32 GB with at least 2 DIMM Slots. The modules should be user replaceable. Final Response of IIM Shillong is " <b>Good to Have</b> "
4.	10/33	Sl.No.12	<b>Core i3 Laptop:</b> - regarding weight you have mentioned that "Same should be specified by OEM". Since most models have different weights, would it be sufficient if we provide a letter from OEM certifying the weight"?	Weight of laptop must be clearly mentioned in OEM brochure.
5.	10/33	Sl.No.14	<b>Core i3 Laptop:</b> You have asked for MIL-STD certification. Will that be sufficient or do we need to give the other certifications (as mentioned in i5 laptop Sr.no.18).	Final Response of IIM Shillong is " <b>Not Accepted</b> "
6.	10/33	Sl.No.NA	<b>Core i3 Laptop:</b> While you have mentioned Battery backup time for the i5 Laptop (Sl.14), there is not mention of the same in the i3 laptop specs. Kindly specify minimum backup time required by you.	Minimum 08 hrs of battery backup.
7.	10/33	Sl.No.NA	<b>Core i3 Laptop</b> – While you have mentioned Security management in i5 Laptop (Sl no. 17) using Nano Security Slot, the same is not specified for the i3 Model. Is the same required? You have also not specified valuable security features like Fingerprint reader etc.	Final Response of IIM Shillong is " <b>Good to Have</b> " with no additional change in the Technical Specification
