INTERNATIONAL MARKETING CONFERENCE II

*Contemporary research in Marketing: Innovation,
Inclusion & Integration*

24TH & 25TH AUGUST, 2022

CONFERENCE OVERVIEW

The International Conference in Marketing II is an International Refereed Conference to provide a platform for discussion and deliberation on contemporary research in marketing. Marketing in today's world is focused on taking multi-dimensional approach through continuous, inclusion of diverse stakeholders and integration of all aspects of strategy to foster business growth. Moreover, the broad reach, the seemingly unlimited and tight integration of new technologies through digitalization and connectivity, and the rapid change has made us relook at the relevance of existing practices. The conference will help researchers across the globe to understand the transformative practices in addition to traditional ones in the field of marketing. It will help understand the gaps and look ahead to fulfill the gaps. There will be discussions on the evolving marketing environment and value creation.

CONFERENCE THEME

The theme of the conference is

“Contemporary research in Marketing: Innovation, Inclusion & Integration”.

The theme will initiate thinking and engage in discussions to all researchers about current and latest advancements in the field of value creation in marketing globally. This will also initiate exchange of ideas across scholars and practitioners.
