

भारतीय प्रबंध संस्थान-शिलाँग INDIAN INSTITUTE OF MANAGEMENT SHILLONG

International
Exchange Program

I welcome and extend my gratitude for your interest in the International Exchange Program of IIM Shillong. Founded in the mid-2007, IIM Shillong has made significant contributions towards the management education and research. Having been associated with more than 13 International Collaborations, our exchange Program has enjoyed remarkable growth in the past 14 years. Our priorities are to enhance global engagement, expanded course offerings and new opportunities for International Exchange and Study Abroad Programs. IIM Shillong, consistently highlight the fact that it is rigorous, flexible, interdisciplinary and global.

Our interdisciplinary curriculum regularly draws courses and faculty from more than ten areas and are structured around interdisciplinary themes that require students to engage different ways of thinking and problem-solving on crucial issues.

Our International Exchange Program, provides a powerful platform to our students to exchange knowledge with the foreign institution. We are seeking opportunities for new collaborations and looking forward to enhance our international partnerships with universities and Institutions of international repute.

Greetings !

The last two years has been really challenging for all, as we make efforts to get used to 'new normal'. We sincerely hope that all our esteemed external collaborators have been able to successfully overcome the challenges posed by the pandemic. We wish good health for all our stakeholders and their near and dear ones.

External Relations Committee at IIM Shillong constantly endeavors to reach out to its partner institutions across the globe. IIM Shillong has moved to its new lush green campus surrounded by woods of pine trees. We invite you to visit the new campus as IIM Shillong embarks on a new journey while keeping the inherent core values intact.

The Institute has been making renewed efforts to forge symbiotic relationship with reputed management Institutions across the globe. Such relationship will be of enormous benefits to the students of the institute. Joint study and collaborative programmes along with student and faculty exchanges have been the focus area of the committee.

We strongly believe that the collaborative efforts of the Institute along with the support and well wishers of our partner institutes will definitely help IIM Shillong in its journey to emerge as a world class management institution.

Let's keep nurturing the pine connect!

ABOUT IIM SHILLONG

Established in 2007, Indian Institute of Management Shillong is the 7th IIM of the country and stands-out as the first and the only IIM located in north-eastern part of India and enjoys a strategic location with close proximity to International boundaries of South Asia and Southeast Asian Nations.

Located at an average altitude of 1496 metres above the Mean Sea Level, Shillong is nestled in the Khasi Hills, covered by the green cornucopia and the dreamy clouds. Shillong, a city full of life and a place to be, is the capital city of Meghalaya – “the abode of clouds”.

It is one of the leading education hubs in the North East with many schools and colleges specked in the picturesque settings. The city has beats and rhythms in everything: the church bells, the choirs, the rock bands and the music that flows in every nook and corner.

IIM Shillong is amongst the league of institutes of National Importance in the country and known for its graduation outcome, accomplished faculty and academic achievements in teaching and research, besides being part of national level winners and achievers in major Corporate competitions.

International Exchange Programme (IEP)

Indian Institute of Management, Shillong, in its endeavour to promote global learning and to facilitate a better learning process for the participants, has collaborated with 13 International Business Schools that encourages co-operation and exchange between the partnered institutions

IIM Shillong firmly believes that it is essential for its participants to gain a global perspective; in its effort towards imparting multi-faceted business education to its students. Such initiatives on International Collaborations will enrich the students on various subjects through classroom teaching supplemented by industrial visits which augmented the students' understanding of different spheres through ground level exposure in a comprehensive setting.

The programme facilitates educational exchange and encourage students to excel in their chosen field with multi cultural experiences to grow as global professionals. Student exchange programs are for a particular area of specialization and offered to meritorious students who have high potential to perform and grow on a global scale.

IIM Shillong is interested to collaborate with well Accredited Universities/well reputed Business Schools in the following areas:

The IEP will enhance Peer to peer learning, in addition to refining perspectives and incorporating cultural sensitivities that aid in critical decision making, besides students getting opportunities in interacting with students from different nationalities. The participants believe that the program propelled an exchange of fresh ideas and gave them an opportunity to showcase their learnings on the global stage..

The IEP has also faculty exchange component in international partnerships. Faculty members of IIM Shillong can spend few months at partnering institutes, wherein their faculty in turn can visit to IIM Shillong on mutual basis. The idea of faculty exchange is to develop research linkages to broaden their research experience. The faculty exchange program is one way to take advantage of the benefits of diverse faculty.

The programme facilitates educational exchange and encourage students to excel in their chosen field with multi-cultural experiences to grow as global professionals.
