

Theme: National Small Industry Day

August 2022

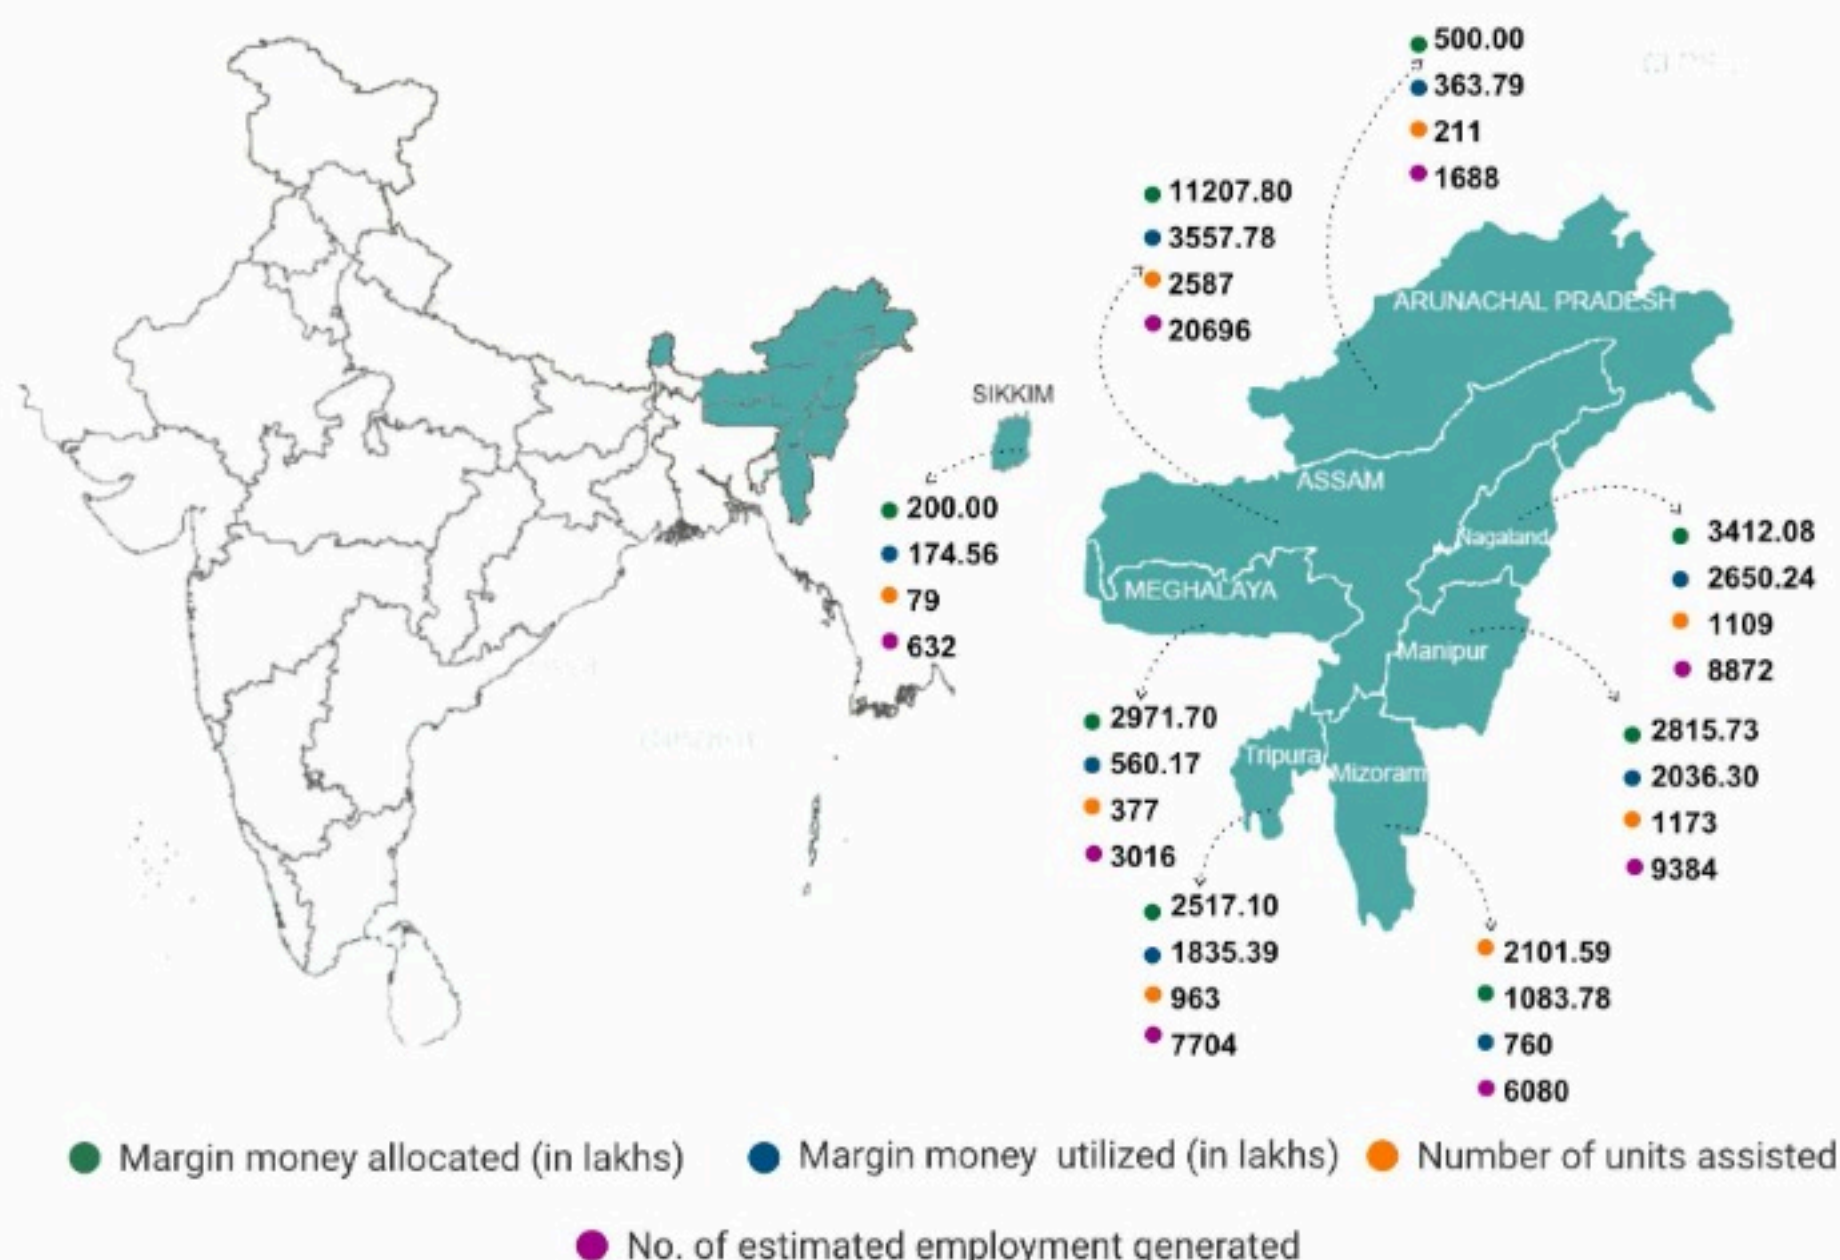

The National Small Industry Day is observed on the 30th of August. It is dedicated to promoting small businesses nationwide and offering job opportunities to the unemployed. The day is celebrated to boost the overall growth potential of small industries.

The August edition of the Centre's infographics aims to highlight the status of small industries in the North Eastern region of India. National Small Industry Day is a way to offer balanced growth between small and large-scale corporations. This special day is responsible for supporting the setting up of new industries and increasing the state's financial condition.
