2023-2024

Message from the Director

Prof. D.P. Goyal
Director

Experience a world-class education and immerse yourself in a rich cultural experience at IIM Shillong.

Dear Readers,

I welcome and extend my gratitude for your interest in the International Exchange Program of IIM Shillong. Founded in the mid 2007, IIM Shillong has made significant contributions towards the management education and research. Having been associated with more than 23 International Collaborations, our exchange Program has enjoyed remarkable growth in the past 16 years.

Our priorities are to enhance global engagement, expand course offerings and new opportunities for International Exchange and Study Abroad Programs. IIM Shillong, consistently highlights the fact that it is rigorous, flexible, interdisciplinary and global.

Our interdisciplinary curriculum regularly draws courses and faculty from more than ten areas and are structured around interdisciplinary themes that require students to engage different ways of thinking and problem-solving on crucial issues.

Our International Exchange Program, provides a powerful platform to our students to exchange knowledge with the foreign institution. We are seeking opportunities for new collaborations and looking forward to enhance our international partnerships with universities and Institutions of international repute.

Regards,
Prof. D.P. Goyal

Message from the ER Chair

*Discover a world of opportunities at IIM
Shillong - where knowledge meets culture*

Dear Readers,

These past few years have been really challenging for all as we make efforts to get used to the 'new normal'. We sincerely hope that all our esteemed external collaborators have been able to successfully overcome the challenges posed by the pandemic. We wish good health for all our stakeholders and their near and dear ones

The External Relations Office at IIM Shillong constantly endeavors to reach out to its partner institutions across the globe. IIM Shillong has moved to its new lush green campus surrounded by woods of pine trees. We invite our partners to visit the new campus as IIM Shillong embarks on a new journey while keeping the inherent core values intact.

We always believe in nurturing symbiotic relationship with our stakeholders. On the External Relations front, the Institute has been making renewed efforts to forge symbiotic relationship with reputed management institutes across the globe. Such relationship will be of enormous benefits to the students and the alumni of the institute. Joint study and collaborative programmes along with student and faculty exchanges have been the focus area of the committee.

We strongly believe that the collaborative efforts of the Institute along with the support and well wishes of its partner institutes will definite help IIM Shillong in its journey to emerge as a world class management institution.

Regards,
Dr. Parijat Upadhyay

IIMs: Pioneering Excellence in Management Education for India's Growth

India's higher education landscape is diverse, with over 1,000 universities and more than 50,000 colleges offering undergraduate and postgraduate degrees across various fields. The education system in India is evolving rapidly, with a growing emphasis on research, innovation, industry-academia interface, vocational skills and international collaborations.

The Indian Institutes of Management (IIMs) are among the most significant institutions in India's higher education system. These premier business schools were established by the Government of India with the aim of developing business leaders and entrepreneurs who can contribute to the country's economic growth and become global leaders. The significance of IIMs in India's higher education landscape lies in their role as centers of excellence in business education and research.

The IIMs are known for their rigorous academic programs, world-class faculty, exceptional students, and strong industry linkages. They offer courses in management, entrepreneurship, and related fields and have produced several successful business leaders and entrepreneurs in India and abroad. IIMs provide students with a comprehensive understanding of business practices and equip them with the skills and knowledge needed to succeed in a rapidly changing global economy.

Moreover, the IIMs are at the forefront of research and innovation, with their faculty and students undertaking cutting-edge research in different domains of management. They also collaborate with industry partners to develop innovative solutions for real-world problems.

ABOUT IIM SHILLONG

The Campus in Clouds

"Nurturing leaders with a sustainable vision"

The Indian Institute of Management (IIM) Shillong is one of the premier management institutes in India, located in the serene surroundings of Shillong, Meghalaya. Established in 2007, it offers a two-year residential Post Graduate Program in Management, along with various executive education programs. Known for its academic excellence, IIM Shillong is committed to fostering a global outlook and creating socially responsible leaders.

The institute has a faculty with a diverse background and expertise in various domains of management.

With its focus on sustainability and innovation, IIM Shillong has established itself as a leading institution in management education in India.

Vision: To become an internationally recognized management Institute with a global outlook grounded in Indian values.

Mission: To generate and disseminate knowledge in all aspects of management education for sustainable development and to develop innovative leaders with strong ethical values.

INTERNATIONAL EXCHANGE PROGRAMME

IIM Shillong, in its endeavour to promote global learning and to facilitate a better learning process for the participants, has collaborated with 17 International Business Schools and encourages co-operation and exchange between the partnered institutions.

IIM Shillong firmly believes that it is essential for its participants to gain a global perspective; in its effort towards imparting multi-faceted business education to its students. Such initiatives on International Collaborations will enrich the students on various subjects through classroom teaching supplemented by industrial visits which augmented the students' understanding of different spheres through ground level exposure in a comprehensive setting.

The International Exchange Programme (IEP) facilitates educational exchange and encourages students to excel in their chosen field with multi cultural experiences to grow as global professionals. Student exchange programs are for a particular area of specialization and offered to meritorious students who have high potential to perform and grow on a global scale

Areas of Collaboration- Student Exchange, Faculty Exchange, Research collaborations, Joint conferences or any other initiatives.

The IEP will enhance peer-to-peer learning, in addition to refining perspectives and incorporating cultural sensitivities that aid in critical decision making, besides students getting opportunities in interacting with students from different nationalities. The participants believe that the program propelled an exchange of fresh ideas and gave them an opportunity to showcase their learnings on the global stage.

The IEP has also faculty exchange component in international partnerships. Faculty members of IIM Shillong can spend few months at partnering institutes, wherein their faculty in turn can visit to IIM Shillong on mutual basis. The idea of faculty exchange is to develop research linkages to broaden their research experience. The faculty exchange program is one way to take advantage of the benefits of diverse faculty.

The programme facilitates educational exchange and encourages students to excel in their chosen field with multi-cultural experiences to grow as global professionals.

ABOUT SHILLONG

Shillong's weather is distinctive and pleasant all year. The town has a mild subtropical climate, with summer temperatures ranging from 15°C to 25°C and winter temperatures ranging from 5°C to 15°C. The monsoon season lasts from June to September, and the town receives much rain during this time, making it an excellent place for nature lovers. Shillong is best visited between October and June when the weather is cool and dry.

Shillong, in particular, has received attention for its cheerful people and vibrant culture. Shillong, interestingly, has a very westernised culture and a very young feel to it. Shillong is also known as India's music capital, as many famous musicians have come from here. Numerous music events are organised throughout the year, making it a lively place.

Places to Visit:

- Elephant Falls
- Ward's Lake
- Shillong Peak
- Umiam Lake
- Don Bosco Centre for Indigenous Cultures
- Mawlynnong
- Cherrapunji
- Dawki

Where nature meets tranquility

“

Shillong, a beautiful city surrounded by pine trees, is the capital of Meghalaya, a state in north-eastern India. It gets its name from the idol worshipped here, Lei Shyllong. This 1496-meter-high hill station is known for its weather, picturesque locations, and traditions. Known as the "Scotland of the East," descendants of the Khyrim, Myllem, Maharam, Mallaisohmat, Bhowal, and Langrim tribes can be found here.
