About IIM Shillong

Located in the green contours of the north-eastern part of the country, IIM Shillong commenced its operations in 2008 and remains committed to its goal of excellence in management education and research, aspiring to become a nationally and internationally recognized educational institute. High-quality standards and rigorous academics are considered the hallmarks of IIM Shillong. The institute places a strong emphasis on sustainable development in business practices, striving to instil ethical values, compassionate behaviour, and a concern for society in its students.

About ICEP – Call for Papers

ICEP 2023 aims to provide an occasion for academicians, policymakers, and professionals from various functional domains and institutes to join and exchange ideas and expertise. This will enable us to cultivate knowledge on various aspects of a resilient economy. It serves as a platform for academicians and professionals with interdisciplinary interests in diversified fields of economics and public policy to interact with members within and outside their own disciplines.

ICEP-2023 welcomes papers in all categories related to economics, public policy, and allied areas such as finance, banking, and the environment. The possible topics for conference papers include, but are not limited to, the conference themes.

Themes for the Conference

- Sustainable Energy use in India
- Hydrogen Economy' and Future of E-Vehicles
- G20 and India's Prospect as Global Leader
- Recent Global Crisis and India's Position
- Energy Efficiency and Climate Finance
- 'Net-Zero' Emission, Technology & 'Green Financing'
- Energy Transition and 'Industry 4.0'
- ESG and good Governance
- Empirical Issues on 'Resilient-Economic-Policy' Development
- Theoretical and Qualitative Aspects of 'Resilient-Economic-Policy' Development
