

PGPEX Program PLACEMENT SUMMARY

2023-2024

Post Graduate Program for Executives

2023-2024

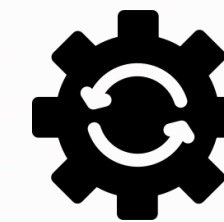

Overview

The Post Graduate Program for Executives (PGPEX) at IIM Shillong continues to attract mid to senior-level professionals seeking career transitions in various domains such as IT Consulting, Finance, Operations, Sales, Product Management, Business Consulting, and Healthcare. The program's reputation has grown, evident by an increasing number of offers made annually by leading firms.

Participant Profile

The 11th batch of PGPEX comprised 47 experienced professionals, with an average industry experience of 6.8 years. Notably, 30 students were successfully placed, showcasing the caliber and readiness of participants for challenging managerial roles.

Placement Process

The Placement Committee embarked on an extensive outreach program, fostering relationships with both existing and new corporate partners. This proactive engagement resulted in a successful placement season, with organizations showing heightened confidence in the PGPEX program and the institute.

The placement season commenced in October 2023 and spanned several months, facilitating meaningful interactions between students and recruiters. Recruiters, both through physical and virtual modes, offered positions in middle to senior-level management across diverse sectors and geographies within India.

2023-2024

Recruiter Engagement

The placement process saw the participation of recruiters from various sectors, with offers made for strategic roles including Consulting, Product Management, Analytics, Sales & Marketing, Operations, and Project Management. Notable new recruiters this year included Whatfix, CAMS, Infosys Consulting, Takshashila Consulting etc. , further diversifying the placement landscape.

Student Driven

Placement at IIM Shillong is a collaborative effort between students and the institute. The Placement Committee, supported by the institute, worked diligently to facilitate on-campus and virtual placement activities. This student-driven approach, coupled with institutional support, ensured deserving candidates secured promising career opportunities.

Conclusion

In recent years, IIM Shillong has witnessed vibrant placement activities, reflecting the institute's commitment to providing exceptional career prospects for its PGPEX participants. Moving forward, the institute remains dedicated to nurturing corporate engagements, both domestically and internationally, to continue bringing forth valuable placement opportunities for its talented cohort of executives.
