

Please follow the below format (structure, font, font size, and spacing) for submission of the extended abstract (word limit – approx. 1000 excluding tables/figures/charts)-

Title of the study (Word Limit - 15 words)

Authors Details (the corresponding author should be marked *)

Authors Affiliations with Contact Details

Keywords: (Provide author keywords; not more than 5)

1. Introduction:

- 1) Provide a brief background of the topic
- 2) Discuss the problem statements
- 3) Highlight the novelty/originality

2. Objectives:

- 1) Provide the objectives of your study addressing the problem statements
- 2) Briefly discuss the significance of the study

3. Materials & Methods/ Methodology:

- 1) Discuss in the brief the adopted methodology, materials, and tools used
- 2) Establish the experimental design if any
- 3) Provide an overview of the data collection and analysis methods if needed

4. Results and Discussion:

- 1) Present and discuss the key findings of your research study
- 2) Complement your findings using tables/ figures/ charts, etc. (tables/figures/charts will not be counted as part of 1000 word limit)
- 3) Provide a contrast/alignment of your findings with the existing literature

5. Practical Implications:

- 1) Explain how your research outcomes can be implemented practically
- 2) Highlight the key contribution to the research field
