ABOUT IDEA/VENTURE

Ki Saw Aiom Travellers is a service sector venture based in New Shillong, focused on providing safe, reliable, and affordable cab services. The business aims to deliver convenient and hassle-free transportation solutions for daily commuters, office-goers, and tourists. With a strong emphasis on comfort, safety, and customer satisfaction, Ki Saw Aiom is dedicated to becoming the preferred choice in the region.

PROFESSIONAL EXPERIENCE

I have worked in the corporate sector for 3 years, which has helped me gain practical knowledge, discipline, and management skills that I now wish to apply in building and growing my own cab service business.

Enrick Thongni

Enrick Thongni is the visionary Founder of Ki Saw Aiom Travellers, a service sector venture based in New Shillong. At 25 years old, this entrepreneur from Shillong, East Khasi Hills, Meghalaya, is driven by a clear mission: to provide safe, reliable, and affordable transportation solutions. Through his company, Thongni aims to significantly improve regional transport facilities by making travel easier, comfortable, and timely for daily commuters, tourists, and office goers. His ultimate goal is to build a cab service that earns the community's trust and stands as a dependable partner for all hassle-free travel needs.
