ABOUT IDEA/VENTURE

Astraea Oracle is a transformative wellness brand dedicated to helping individuals rediscover their highest potential and realign with their life purpose. The brand achieves this by utilizing a comprehensive suite of holistic practices, including tarot, energy healing, and intuitive guidance. Its mission is to empower clients to gain clarity, courageously confront personal truths, effectively release energetic blocks, and achieve inner balance and empowered living through personalized spiritual insight and practical, actionable tools.

PROFESSIONAL EXPERIENCE

A Research writer with 24 hours Inspired, travel writer with OurGuest Travels, tarot therapy practitioner, and currently Project Coordinator at NHM, Government of Sikkim

Younita Pandey

Younita Pandey, Founder and Proprietor of Astraea Oracle, is a distinctive professional who seamlessly bridges technical expertise with deep human insight. An engineer by degree, her journey has spanned healthcare, sociology, poetry, and spiritual counseling, culminating in her current role contributing to the Ayushman Bharat Digital Mission (ABDM) in Sikkim. Younita's work is defined by her ability to lead social initiatives, publish poetry, and connect with communities through radio broadcasts and Tarot Therapy. She possesses a rare blend of analytical rigor and genuine empathy, driving every endeavor to find meaning, build connections, and thoughtfully weave the technical with the profoundly human.
