Graduate in Political Science

ABOUT IDEA/VENTURE

Hazarika Farm is a thriving agricultural and hospitality enterprise that began with a small cowshed and has steadily expanded over the years. Today, it operates a successful hotel and continues to diversify its ventures, with a new fish farming unit underway. Committed to sustainable growth and innovation, Hazarika Farm aims to provide high-quality services while contributing positively to the local community and economy.

PROFESSIONAL EXPERIENCE

Anupom Hazarika, founder of Hazarika Farm, combines entrepreneurial expertise in agriculture and hospitality with hands-on experience as an Office Assistant.

Anupom Hazarika

Anupom Hazarika is the founder of Hazarika Farm, a thriving agricultural and hospitality enterprise. Alongside managing and expanding the farm's diversified ventures, he also serves as an Office Assistant at Shishu Shiksha Samiti Assam, demonstrating his dedication to both administrative efficiency and hands-on business leadership. With a vision for sustainable growth and innovation, Anupom Hazarika has been instrumental in transforming a small cowshed into a multifaceted enterprise that now includes a successful hotel and upcoming fish farming unit, reflecting his commitment to quality, community, and long-term development.
