EDUCATION

Graduate, NIELIT A level certified

ABOUT IDEA/VENTURE

Haneul Hospitality Private Limited is an innovative, forward-looking hospitality and lifestyle startup dedicated to crafting fully integrated, high-quality guest experiences. Its core vision is realized through the flagship project, Urban Aura, which strategically combines several premium lifestyle elements under a single roof. This includes meticulously designed boutique stays, a distinguished signature restaurant offering a unique dining experience, and a versatile event venue capable of hosting both social and corporate functions. Haneul Hospitality extends this commitment to holistic well-being by also operating a dedicated, in-house gym unit, ensuring that wellness and contemporary luxury are seamlessly woven into every aspect of the guest journey.

PROFESSIONAL EXPERIENCE

Sales and marketing, banking, finance, customer service and IT. Total 8+ years of experience

Oinam Imeshwor Singh

Oinam Imeshwor, the Founder and Managing Director of Haneul Hospitality Private Limited, drives the company's core vision of creating integrated lifestyle experiences. He leverages a unique foundational background, holding an English degree and being a NIELIT-A certified professional, combined with strong operational expertise gained during his tenure as an Operating Partner at Bigbull Casino, Sikkim. This blend of communication skills, technical knowledge, and high-stakes operational experience enables him to lead Haneul Hospitality in its mission to redefine hospitality by seamlessly bringing together comfort, wellness, and contemporary standards under a single, cohesive roof.
