

PGPEX 2026 Placement

The Post Graduate Programme for Executives (PGPEX) continues to build on its strong legacy of developing industry-ready leaders. The placement cycle for the batch of 2026 saw enthusiastic participation from a diverse set of organisations.

The compensation trends indicate a stable and competitive market valuation of candidates.

- **Highest CTC:** ₹35.00 LPA
- **Average CTC:** ₹25.00 LPA
- **Median CTC:** ₹25.50 LPA

The roles are offered across consulting, technology implementation, banking advisory, and cyber risk. Accenture, Infosys Consulting, AMTRON, ICICI Bank, Cognizant Consulting, Hexaware, and LTI Mindtree emerged as key recruiters with multiple offers, highlighting demand for consulting and technology-driven roles.

This placement cycle witnessed the participation of several **first-time recruiters**, alongside the return of prominent legacy recruiters, reflecting renewed industry confidence and expanding outreach of the program. The mix of new associations and continued partnerships highlights both growing market visibility and sustained trust in the cohort.

Overall, the placement outcomes demonstrate consistent recruiter engagement and reinforce the program's positioning in delivering industry-ready professionals with strong cross-functional capabilities.
